Course Description:

This beginner-friendly English course is designed for learners who want to start their English journey confidently from zero.

Across 7 weeks and 14 immersive sessions, you'll build a strong foundation in grammar, vocabulary, and everyday communication.

Whether you want to improve your career opportunities, communicate while traveling, or begin your long-term English learning path, this course will guide you step by step in a simple, practical, and engaging way.

No prior English knowledge is needed — just motivation and a willingness to speak.

What you'll learn:

By the end of this course, you will confidently be able to:

- Understand the English alphabet and basic sentence structure
- Use pronouns, articles, and basic adjectives correctly
- Form sentences using the verb “to be” in positive, negative, and question forms
- Use numbers, colors, dates, prepositions, and essential daily vocabulary
- Build and answer simple questions in conversation
- Use the Present Simple tense to talk about routines and habits
- Use the Present Continuous tense to talk about actions happening now
- Describe people, objects, feelings, and places
- Talk about family, food, daily life, and personal information
- Hold short real-life conversations at a restaurant, with new people, or while asking for directions
- Introduce yourself clearly and confidently in English .

Why Attend This Course ?

This course is for you if you want to:

- Start from Zero With Confidence

Designed for complete beginners — no stress, no confusion, just clear steps from basics to real communication.

- Learn Practical, Real-Life English

Every session includes speaking practice so you can use English immediately, not just study rules.

- Structured and Guided Learning

The course follows a proven plan with grammar + vocabulary + conversation built together.

- Short but Effective

With just 21 hours of training over 7 weeks, you'll see noticeable progress without overwhelming your schedule.

- Boost Career, Travel & Personal Growth

English is a global skill — mastering the basics opens doors to better jobs, education opportunities, and international communication.
